

FISANTEKRAAL HIGH SCHOOL

OBSERVATION CODES

2026 · Term 2

FORM CODE

SA-OC · Observation codes for SA-01 and SA-02

SAOC-P1

Write one code in the Code column of Section B on SA-01 or SA-02, next to the learner's position number. One code per learner per day.

Code	Observation	Description
DIS	Disruptive behaviour	Disrupts the class or lesson so that teaching or learning is interrupted.
NW	Not working in class	Present, but does not complete classwork.
NH	No homework	Homework not completed or not submitted.
SLP	Sleeping in class	Sleeps during the lesson.
DSP	Disengaged	Physically present but mentally disengaged, e.g. staring into space.
TB	Talking back	Disrespectful or defiant response to the educator.
XT	Excessive talking	Persistent talking that interferes with teaching or learning.
NP	Not participating	Does not take part in the lesson or a required activity.
OC	Outside class without permission	Seen outside the classroom instead of attending class.
FGT	Fighting or aggressive conduct	Physical fighting, or aggressive or threatening behaviour towards others.

Additional codes (school to complete)

Code	Observation	Description

Late arrival is recorded in the L column of Section A, not as an observation code.
