Draft for consultation — placeholder data, not for use in class.

Week	ATP code	What must be covered
Week 1	6X4N	Learners do listening comprehension on instructions and directions, taking notes and answering questions, then practise giving directions using the imperative and the second person, referring to distance and landmarks.
Week 2	EWXW	Learners read information texts with visuals such as maps, graphs and infographics, and a short story for its key features, then write an instructional text. Task 7, the project oral (20 marks), is completed this term.
Week 3	TWMD	Learners listen to a panel discussing current news, noting tone, pace, intonation, persuasive language and body language, and do prepared or unprepared reading aloud of a newspaper article, observing punctuation for effect.
Week 4	CDA9	Learners read newspaper and magazine articles and written speeches for main ideas, facts, opinions and figures of speech, and read a drama for plot, characterisation and dramatic irony. Learners write a newspaper article.
Week 5	7PPH	Learners do an oral on filling out a questionnaire or form: research the topic, organise material with examples and prepare an introduction and conclusion. Learners do listening comprehension on a form and take notes.
Week 6	WXWJ	Learners read a questionnaire or form for key features, format and language use. Teach a poem's structure, figurative meaning, mood and theme. Task 9: Writing, transactional, 10 marks, before the end-of-year examination.
Week 7	7KEJ	Teach examination preparation in speaking and listening: conversation, panel discussion, unprepared speech and listening comprehension. Learners revise word level and sentence level work.
Week 8	TD9N	Teach examination preparation in reading and writing: comprehension, summary, visual literacy, poetry, short story, drama, essays and transactional texts. Learners revise word meaning, punctuation and spelling.
Week 9	PYQF	Task 10: end-of-year examination, Response to Texts, Paper 2 (60 marks): literary or non-literary text, visual text, summary, and language structures and conventions. Learners write the paper as one sitting across weeks 9 and 10.
Week 10	DPM9	Learners complete the end-of-year examination (Task 10, Response to Texts, Paper 2, 60 marks) and consolidate the year's reading, writing and language structures and conventions work, as the ATP gives it.

ATP codes are provisional. Follow the official DBE ATP where this summary and the ATP differ.
